## **The Minister writes:**

I have just had the great privilege of spending three weeks in East Africa. For the 3rd week, my daughter Susie and I went on a road trip adventure. This involved hiring a 4x4 and driving down to Tanzania to visit our link parish and for Susie to deliver a training course for her women's health project.

The traffic in Nairobi gets very bad, so we started our trip at 4am. This was a great success, as we got out of the city easily and got to the Tanzanian border by midday. Once in Tanzania, we were met by the link person for the diocese, Peter Oyoo. We spent the first night in Tarime and set off the next day for Sakawa, our link parish, in time for the Sunday service. Driving on dirt roads in the rainy season is very difficult and we were glad to have the 4x4!

We had a most warm and enthusiastic welcome with singing and dancing outside the church, followed by a lively service. They produced a feast afterwards, which was humbling to receive. We had sent funds for a rain water harvesting system from the church roof. We saw it had been completed, albeit only two days earlier. We exchanged gifts and shared prayer needs. They promised to dedicate a special day of prayer for our church building and securing a long lease. The next day found us at Kowak where Susie did her training about health and making sanitary towels using locally sourced materials. She expected 15 people, but 63 turned up! It really showed how important this is. We will watch to see if the ideas and lessons are taken up.

We went on to meet with the Water for Life team in Musoma and Tarime. We visited one of the well sites that has stalled as they have reached rock. They are not allowed to use dynamite as they are within the town boundaries. One solution would be to drill, but that would be very expensive. The lack of resources means that problems that would be straightforward to solve in this country, are almost impossible there. Susie met with Lucy, a dynamic lady working in women's health.

From Tarime we returned to Kenya and successfully negotiated the border. The next day we drove through the Maasai Mara game reserve, then had the long drive to Nairobi through very heavy rain and awkward police checks. Thank the Lord we arrived safely exhilarated by our journey. Thank you for your support.

## Christian Aid thank you

Thanks to everyone who organised and supported the Christian Aid Coffee Afternoon last month at Mount Road Methodist Chapel. There were cakes, plants, books, toys and bric-a-brac for sale, and a total of £77.41 was raised.

In addition, the 20th Wakefield Beaver Scouts who meet at Mount Road chapel, did a door to door envelope collection and raised a further £79.32; many thanks to them and the members of the community that donated.

A wine auction was held at St Peter's Church Wine Tasting evening specifically in aid of Christian Aid's Nepal Earthquake appeal, which raised £168. Therefore, a fantastic total of £324.73 was raised by the people of Stanley for Christian Aid this year.

Last year, 20,000 churches across the UK raised £12 million in Christian Aid week. This year, the need for aid is just as great with thousands of people driven from their homes because of conflict or natural disaster in Gaza, Iraq, Syria, Nepal and the Philippines. Thank you to everyone who has given so generously this year.

### **Moorhouse Community Action Group**

The next meeting of the Moorhouse Community Action Group will be on Thursday 11th June at 6pm at St Peter's Church. Please come along and raise any issues specific to Moorhouse with local councillors and WDH representatives.

### ***Prayer Meeting—every Tuesday from 2pm-3pm***

The weekly prayer meeting at St Peter's Church continues to meet every Tuesday from 2pm-3pm, led by Calli McKenna. Call in to pray for those in trouble, sorrow, sickness or need; for family, friends, the community and the world. Everyone is very welcome; please just come along.

## **Bring on the mediators**—*By David Winter*

I wonder what you think of the United Nations? The best hope for a peaceful world? Or an expensive but ineffective talking shop?

It was 70 years ago this month that delegates from 54 countries drew up a ‘Charter’ for a new worldwide organisation to replace the ineffective ‘League of Nations’. They wanted to ensure that the two devastating world wars which had marked the first half of the 20th century would never happen again.

In October 1945 the Charter was adopted by 51 nations and the ‘United Nations’ came into being. Their vision of a world body, encompassing every nation and wielding immense moral if not legal authority over the entire planet, was taking shape. Every nation was invited to apply for membership, even those defeated in World War 2.

Today every autonomous nation does in fact belong to the UN – 193 of them. The vision remains unchanged, but only partly fulfilled. In the early years of the UN the notion of a ‘Security Council’, with the then ‘great powers’ as its permanent members (each with a veto) probably seemed a good idea. In practice, it has too often been used to thwart the almost unanimous intention of the member states – and of course the identity of the world’s ‘great powers’ has changed. Could one imagine such a group today excluding China, for instance?

Quite a lot of people are sceptical about the real value of the UN. They note its inability to influence several of the world’s notorious flash-points. The Israel-Palestinian situation has eluded every attempt at mediation, for instance. The UN has not by any means been able to abolish war or violence, though thank God, we haven’t seen it on a global scale since 1945.

On the other hand, it is easy to forget the contribution of UN peace-keeping forces in many potentially fraught situations over the years: Cyprus, Lebanon, Sierra Leone, the Sudan. The world has got used to the blue-helmeted UN soldiers, usually drawn from a number of nations, standing between opposing factions and countries, as genuine ‘peace-keepers’. The UN has also often had a role as peace-maker (which is altogether more tricky), its mediators working to enable dialogue and negotiation – what Winston Churchill called ‘Jaw-jaw rather than War-war’.

## God's answer for you

For all the negative things we have to say to ourselves,  
God has a positive answer for it:

- You say: It's impossible.  
God says: All things are possible. (Luke 18:27)
- You say: Nobody really loves me.  
God says: I love you. (John 3:16 & John 13:34)
- You say: I can't go on.  
God says: My grace is sufficient. (II Corinthians 12:9 & Psalm 91:15)
- You say: I can't figure things out.  
God says: I will direct your steps. (Proverbs 3:5-6)
- You say: I can't do it.  
God says: You can do all things. (Philippians 4:13)
- You say: I'm not able.  
God says: I am able. (II Corinthians 9:8)
- You say: It's not worth it.  
God says: It will be worth it. (Roman 8:28)
- You say: I can't forgive myself.  
God says: I FORGIVE YOU. (I John 1:9 & Romans 8:1)
- You say: I can't manage.  
God says: I will supply all your needs. (Philippians 4:19)
- You say: I'm afraid.  
God says: I have not given you a spirit of fear (II Timothy 1:7)
- You say: I'm always worried and frustrated.  
God says: Cast all your cares on ME. (I Peter 5:7)
- You say: I don't have enough faith.  
God says: I've given everyone a measure of faith. (Romans 12:3)
- You say: I'm not smart enough.  
God says: I give you wisdom. (I Corinthians 1:30)
- You say: I feel all alone.  
God says: I will never leave you or forsake you. (Hebrews 13:5)

## **Reports from our local schools**

### **Stanley Grove School**

*Aberford Road, Stanley, Wakefield, WF3 4NT, Tel: 01924 303805*

*Website: [www.stanleygroveprimary.co.uk](http://www.stanleygroveprimary.co.uk) Headteacher: Mrs J Frost*

The school is very proud of the year 3 and 4 children who represented the school in a recent football tournament at Outwood Grange Academy. The team came 2nd overall which was a fantastic achievement. In addition, a group of year 5 and 6 children represented the school in a basketball tournament at Jerry Clay Lane Academy. We were very proud of their achievement especially as this was something they had not be involved in previously. The children who attended these sporting events were a credit to the school with their excellent attitude and behaviour.

The school has purchased a new scooter rack to enable those children who like to scoot to school to leave their scooter safely locked up during the day.

To commemorate the 70th anniversary of VE day on 8th May, the children had a picnic on the school field. The children were asked to wear something red, white and blue, and to bring a picnic blanket and a packed lunch.

The school was very proud of all the year 6 children who took their SATS exams last half-term. They all worked very hard indeed towards the exams. This month they will be starting their transition to high school, with various assemblies, taster days and transition events planned.

Later this month, all the children will be receiving their end of year reports, and parents will have the opportunity to come into the school to look at their work and meet the teachers. Later in the summer term, the children will be having a transition day with their new teachers to prepare them for their new classes in September.

During the summer term, the children will be taking part in sports days, and there are various class outings and events planned. The Year 6 children will be working towards a special end of term performance of a play 'Out of this World'.

## **St Peter's CofE Primary & Nursery School**

*Lake Lock Road, Stanley, Wakefield, WF3 4HS, Tel: 01924 303175*

*Website: [www.stanleystpeters.co.uk](http://www.stanleystpeters.co.uk) Headteacher: Mr Paul Fenton*

Classes 1 and 2 enjoyed an educational visit to Cannon Hall Farm last half term. They had a guided tour of the farm yard and saw lots of animals, including some newborn piglets. They got the chance to feed the goats, and watch the cows being milked. The children were a credit to the school, and the Cannon Hall staff commented on their excellent behaviour.

Bibles have been purchased for every classroom using money from the old Bottomboat school fund, which has been designated for use by St Peter's School. Timber from the old St Peter's Church that was demolished last year has been made into a beautiful large cross which has been erected in the school hall.

A huge well done to all our Year 6 children who have now finished their Key Stage 2 SATS tests. They have worked extremely hard all year and we look forward to some excellent results! Well done also to the Year 2 children who have completed the Key Stage 1 SATS. Thank you also to our staff for their hard work and dedication, and to all the parents for their continued support.

Also at the end of last half-term, Ronnie the Rhino from Leeds Rhino's came into school and brought the Challenge Cup with him! The children were delighted to see Ronnie and the cup and enjoyed a special presentation on 'How to be a great Team Player'. The children had a great time, and staff even got chance to hold the cup!

As we head into summer we are looking forward to lots of exciting events: we are holding fundraising events in aid of Levi's Star, Yorkshire Air Ambulance, and the Nepal Earthquake appeal. Year 6 will be going on their residential trip to London, and there will be various class outings and special events including a Seaside Day for Years 1 and 2, a Teddy Bear's picnic for the foundation stage, and a talk for Years 5 and 6 from a Magistrate.

The school will be holding a Family Fun Day on Saturday 20th June, 11am-2pm, with a huge variety of activities, stalls and refreshments. Please see page 16 for full details of our event and please come and support us!

## The Magna Carta - 800 years on

This month marks the 800th anniversary of the signing of Magna Carta – one of the most famous documents in the world, and one of the most misunderstood.

Meaning ‘Great Charter’, it was signed at Runnymede, a water meadow probably designated for regular meetings, on the Thames between Windsor and Staines. Described sometimes as ‘a failed peace treaty’, it was agreed between the vastly unpopular Plantagenet King John (1199-1216) and a coalition of powerful barons who threatened his reign.

Although nearly a third of the text was deleted or substantially rewritten within ten years, and almost all the clauses have now been repealed, its 39th and 40th clauses gave all ‘free men’ the right to justice and a fair trial.

This and other Magna Carta core principles are echoed in the United States Bill of Rights (1791), described in 1946 by Eleanor Roosevelt as “a Magna Carta for all mankind”, and in many other constitutional documents around the world, as well as in the Universal Declaration of Human Rights (1948) and the European Convention on Human Rights (1950).

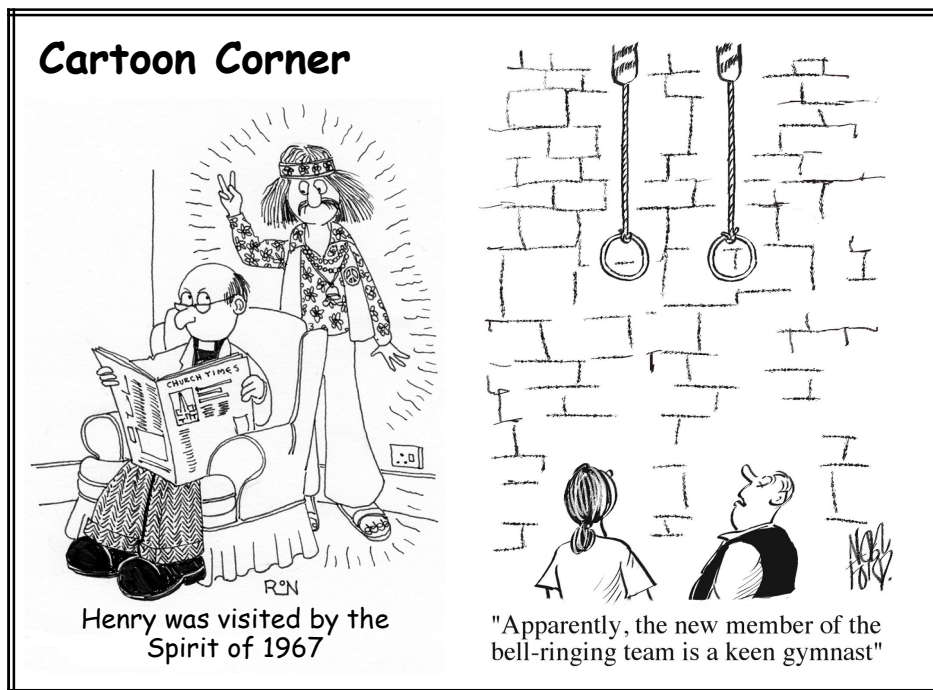

Magna Carta is 4,000 words long and is now usually divided into 63 clauses, and opinions of it vary. Sir Edward Coke in the 17th century and many others have seen it as enshrining the basic rights of an English subject, and this is how it is normally viewed.

More recently, though, it has been pointed out that Magna Carta’s more prominent clauses “offered special legal protection for the Catholic Church and the aristocracy, advocated tax breaks for the wealthiest, freed the City of London from regulatory oversight, promised total freedom of immigration and placed the burden of infrastructure maintenance on local communities instead of government”.

In 1904, Edward Jenks published an article entitled "The Myth of Magna Carta", which also undermined traditionally accepted views. In 1930 the document was parodied by Sellar and Yeatman in the book '1066 and All That': "Magna Charter," they concluded, "was therefore the chief cause of Democracy in England, and thus a Good Thing for everyone (except the Common People)".

However, for most of us, Magna Carta remains a foundation of English national identity. Lord Denning, the most celebrated English judge of the 20th century, described it in 1956 as "the greatest constitutional document of all times – the foundation of the freedom of the individual against the arbitrary authority of the despot".

The 800th anniversary of the original charter will occur on 15th June 2015 and various organisations and institutions are planning events, details of which can be found at <http://magnacarta800th.com>. For example, a new visitor centre is opening at Lincoln Castle for the anniversary; the Royal Mint is releasing a commemorative £2 coin, and there will be an international commemoration event at Runnymede Meadows on the actual day of the 800th anniversary.

## *Prayers for June*

### **Prayer of hope**

Father, thank you that nothing is impossible with you. When circumstances seem to conspire, when situations are entrenched, when relationships feel fragile, help us to remember that you are the God who breaks through barriers, who opens eyes and transforms lives of even the most unlikely people. Help us to remember Paul - who he was and what he became – to be encouraged and full of hope and thanks.

In Jesus name, Amen.

*By Daphne Kitching*

### **The Chief Purpose of Man**

How clever man is, he has conquered the skies,  
Reached for the stars and stepped onto the moon,  
But he still does not know why he is here  
Or what is the purpose, or why he was born.

And did it all start with one big bang  
As stars and galaxies burst into space?  
Or was it the hand of a mighty Creator  
Who lovingly fashioned this wondrous place?

Into this world God planted a garden  
And placed man there to enjoy its delights,  
But he soon disobeyed and sin entered in,  
And so man was banished and thrust from God's sight.

How gracious God is, He has reached out again  
To reconcile man and bring him back home,  
Sin's debt has been paid by the death of His Son,  
To know God as Father is why man was born.
