## **The Minister writes:**

One of the great inevitabilities of life is that we all die; we just don't know how or when. This aspect of our experience has been brought home in a number of ways.

Brian Kirkham who was a much loved and respected member of our community died suddenly recently. He was well known in the village from his time doing a milk round and for playing the organ or piano at many funerals. He was always willing to help and brought his own distinctive sense of humour to whatever he was involved with. There was a wonderful celebration of his life at Sandal Methodist church that was packed with family and friends. We continue to pray for Marion and his family and friends. It was a personal loss to our community as Brian was known by so many.

Then we had the appalling tragedy of the suicide bombing in Manchester. It was particularly shocking as it was targeted at young people and their parents. Our hearts and prayers go out to those affected. It is very depressing that this senseless act can happen here and salutary to think that in many countries it is a weekly occurrence.

As is often the case some hope comes out of the senseless violence. People of all faiths and none have come out to stand together, to support each other and say that 'love wins'. The only effective solution to hatred is love. There can never be any justification for this type of murder but it is important to try and understand it. The uncomfortable truth is that innocent families and children are being killed all over the world, and in some instances by Western Forces, albeit unintentionally. If young people are fed the biased story of children being killed in Libya; that can breed the kind of extreme reaction we are seeing. I believe this is far more significant than say immigration.

Our prayer is that our loving God will reach out to comfort those affected by loss and change the hearts of those filled with hatred to love.

## Stanley Community Centre and Coffee morning update

Stanley Day Nursery have recently signed a long term lease to run Stanley Community Centre. This is great news as it means that the centre will be kept open—many thanks to Councillors Jacqui Williams and Matthew Morley who were involved in the negotiations.

Chris and Julia Schofield who run the nursery have already been using one of the rooms at the community centre for some time. A condition of the lease is that the centre should be made available for public use whenever possible—which is likely to be at the weekends and in the evenings at least.

Our next coffee will be going ahead as planned at the community centre on Saturday 10th June from 10am-12pm with all the usual great stalls including refreshments, bacon butties, cakes, raffle, jigsaws and more. However it looks likely that future coffee mornings will be taking place at the church as the nursery has had lots of enquiries from people wanting to book the centre at weekends.

Last month's coffee morning was a big success, raising £225.86—thank you to everyone who comes along every month to support these events. We look forward to seeing you on the 10th June and at subsequent coffee mornings at the church.

# Film Club

**Friday evening, 9th June 7:30pm**

## **'Big Eyes' (2015)**

Tim Burton directs this biographical drama starring Christoph Waltz and Amy Adams. The film follows the story of American artist Margaret Keane (Adams), who, in the 1960s, allowed her husband Walter (Waltz) to claim credit for her artwork, believing that a female artist could not find success through painting. The Keanes acquired huge amounts of wealth through Margaret's work and the paintings were in high demand throughout their time living together as husband and wife. However, when they later separated, Margaret announced to the world that she was in fact the true author of the paintings, sparking a long-drawn-out legal battle between her and her estranged husband... Adams won a Golden Globe Award for her performance.

**Doors open 7pm, film start 7.30pm**

**Free admission, tea & coffee; bring your own popcorn!**

### *West Riding Watercolour Society & Art Group*

The group meets every month at St Peter's Church for demonstrations by artists, informal painting evenings and to share techniques and knowledge.

Open to everyone; the cost is £3.50 per session.

Next meeting: Monday 19th June 7pm-9pm

*With a general painting evening; all abilities welcome. Tuition for beginners if required.*

## **Carpets and chairs make churches more child friendly**

Here is an issue that probably affects many churches. A church—St Lawrence in Barton, Lancashire—has been allowed to carpet over valuable Minton tiles in its efforts to provide a space for children to sit and play during the services. The Victorian Society had tried to oppose the move, but the Chancellor of Blackburn Diocese decreed that encouraging children to come to church was more important than Minton tiles being on display. What do you think?

A similarly contentious issue is that of pews. Obviously there were never any pews at our church centre in Stanley as it used to be a school. But many churches across the country are wrestling with the pew versus chair dilemma. Wakefield cathedral took the decision to remove their pews a couple of years ago, resulting in vast, flexible, multi-function worship space. But this isn't everyone's cup of tea.

Are you a pew lover? Or a modern comfy chair lover? It seems that this is a tension found in churches throughout the country. Conservationists want to keep the hard and unyielding wooden pews, while many vicars and lay people, desperate to encourage new people, want to introduce a comfortable place for them to sit.

Now the Chancellor for the Diocese of Rochester has ruled in favour of comfy chairs, saying that there is 'no theological basis' for the retention of pews and that the 'need and desirability' of the comfortable chairs outweighed any benefit of not having them. However, it is likely that this debate is likely to continue in churches the length and breadth of the country....

## Report from Stanley Grove School

Aberford Road, Stanley, WF3 4NT, Tel: 01924 303805  
www.stanleygroveprimary.co.uk, Headteacher: Mrs J Frost

Last term, the school held some very successful fundraising events including an Easter craft event and a sponsored egg challenge. Thanks to everyone who organised and took part in these events. The money raised has been used to purchase a new shed and water butt.

Our outdoor provision continues to be developed, with work having started on a wetland area in the allotment site, a roofed outdoor reading area in the wildlife area and some raised beds for planting. Our chickens—Stanley, Miller and Jeff—continue to lay well and are ably looked after by the Cheery Chicks Care team.

Also last term, the Year 5 children had wonderful time on their residential trip to Robinwood. The staff were very impressed with their behaviour and attitude. Year 4 pupils took part in a performance of the Peace Child with two other schools from Outwood Together Partnership. It was a great success and a wonderful event to be part of.

Our year 6 and year 2 pupils have completed their SATs exams. They have been working very hard and we are sure that they will have done very well. Thank you to all our teaching staff who have worked very hard as well.

During the summer term we will be having talks from a variety of agencies including the NSPCC, the Alzheimer Society, Stanley library, the school nursing service and Stagecoach drama. We will also be holding our sports days, and a transition day when all children will spend time in next year's classroom meeting their new teacher.

We will also be preparing to say goodbye to our year 6 children as they move on to their secondary schools. They will be putting on a leavers' performance, and going on an outing as a treat. They will also be visiting their new schools. It is going to be a very busy but fun term!

## Celebrating our 999 service

The 999 emergency service was introduced 80 years ago this month – on 30th June 1937, in the London area only. The initial service covered a 12 mile radius around Oxford Circus.

It was the first service of its kind in the world, and a notice in the Evening News suggested that the public should use it only if "the man in the flat next to yours is murdering his wife, or you have seen a heavily masked cat burglar peering round the stack pipe of the local bank building". For less urgent matters, such as a lorry coming to rest in their garden, people were advised to "just call up the local police".

The first call resulted in the arrest of a would-be burglar, but not all were so serious. Of 1336 calls made in the first week, 91 were prank calls.

One of the more unexpected results of the 999 service was its effect on telephone switch-rooms, where a "raucous buzzer" sounded when someone dialled 999. It was reported that "a few of the girls found the situation too much and had to be carried out".

Despite that, 999 was a big success, but it wasn't until after World War Two that it reached most other parts of the UK. It became available to the entire country only when all the telephone exchanges were automated in 1976.

The idea for an emergency number came after operators couldn't be reached to alert the fire brigade to a fire that killed five women in London's Wimpole Street in 1935. The number 999 was chosen because it was easy to dial, even in the dark, on old-style phones. The US waited until 1968 to introduce its own emergency number, 911.

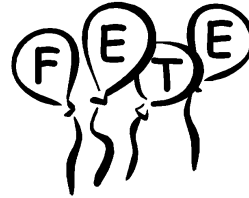

More than half of genuine 999 calls ask for police assistance. The next most requested is the ambulance service, followed by the fire brigade and, finally, the coastguard. Other emergency services that can be reached by dialling 999 are the Lifeboat service, mountain rescue, cave rescue, mine rescue, bomb disposal, moorland search and rescue (Cornwall and Yorkshire) and quicksand search and rescue (Morecambe Bay).

**SUMMER FAIR**

Saturday 1st July, 11am—3pm

Please come along and join in the fun:

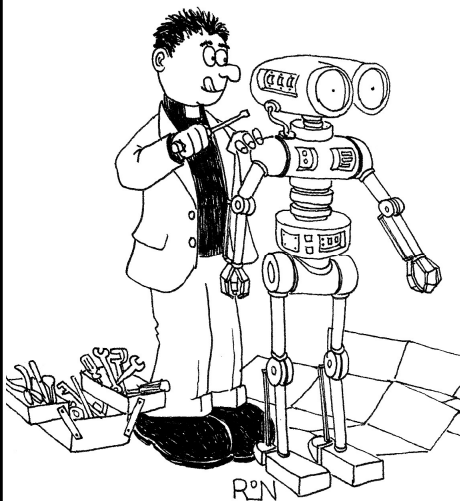

Bouncy castle, rides, refreshments, raffle and more!!!

**Cabbage is cool!** You may have nightmare memories of boiled cabbage at school dinners, but forget them. These days, cabbage is totally cool. It all has to do with the 'clean eating' craze that is sweeping the UK. Pickled cabbage can do no wrong, it seems. Sauerkraut and kimchi are appearing in all sorts of restaurants. Sales of cabbage at Sainsburys are up 39 per cent since Christmas, and sales of cider vinegar is up by 17 per cent. The British Brassica Association asserts that cabbage is very good for you – high in vitamin C, vitamin K, and it also has anti-carcinogenic properties.

**Cartoon Corner**

The difficult bit was persuading a bishop to ordain him

"It's most kind of the church to donate these things but I wish they'd check there wasn't anything left inside, first!"

## *Prayers for June*

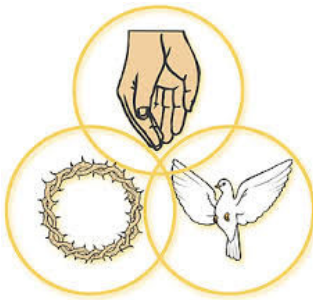

### **Come, Holy Spirit of Jesus**

At my invitation,

just as you promised, Lord,  
you come,

and prayers and songs.

Into my life, Lord, you come,

that this is just the beginning  
of forever and ever.

Holy Spirit of Jesus come,  
fill me, comfort me,  
equip me, inspire me,  
today.
