The Minister writes:

One of the themes this month is 'remembering'. We held a Memorial Service recently on 27th October for those who have died recently, and the Remembrance service for those who were killed in wars is at 10am on Sunday 10th November. We are also planning what to do to remember the old church after it is dismantled. There are a number of interesting ideas already, including a prayer garden and maintaining the war memorial

Each of these events are different, and at each we do more than just remember. We are bringing God into a situation that is painful. We show respect and show how we value the lives of those who have died. We say thank you for what they have given us.

In the case of the Remembrance service, there is also the element of doing what we can to ensure that the ultimate sacrifice that has been made has not been in vain. There is a sense in which victory in both the World Wars is enough in itself, as we still live in a free country.

But there is still a real challenge: have we learned the lessons about the horrors of war? This is a complicated question, but the prospects for world peace do not appear to be very good, as we look around today. It is truly shocking as we observe what human beings do to each other. The terrible killings going on in Syria, and terrorist attacks continuing to spread death and fear. Cycles of violence that only seem to escalate. What to do?

At the heart of our Christian worship is another service of remembrance and thanksgiving; our service of Holy Communion. We remember with thanks the death of Jesus, a death that was not in vain as we show each time we respond to Him. Jesus was also the great peacemaker, and lays down a challenge for us: love your enemies; do not keep a record of wrongs; forgive one another.

We may not be able to effect world peace, but we can be peacemakers in our families and community.

A Harvest Thank-you

Thank you to everyone from church, St Peter's school, the Scouts, Cubs, Brownies and Rainbows for the generous donations of harvest produce given at the church and school Harvest Festival services last month. There really was a huge array of fresh, tinned and dried foods.

The café staff used the fresh food to provide a delicious Harvest Lunch in the church centre on Tuesday 15th October. We enjoyed homemade soup, a roast chicken dinner, followed by fresh fruit salad or fruit pie, and then tea or coffee and mints. For entertainment, there was a piano recital, and then some harvest songs performed by the children of St Peter's School.

Thanks so much to Mary and the café staff and all the many volunteers who helped make the Harvest Lunch such a wonderful success. About 50 dinners were served, and there has been some wonderful feedback commenting on the delicious food, the beautifully laid and decorated tables, and the friendly, warm atmosphere.

Some of the rest of the food has been distributed by St Peter's School, and some is being used by the café and the church. However, there was still a considerable amount of tinned food left, which has been very gratefully received by the Food Bank at St Catherine's Church on Doncaster Road. St Peter's Church is continuing to support the Food Bank and there is a box inside the church centre to receive further donations of food.

Put yourself in the picture—an update

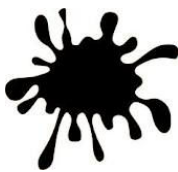

Last month, it was reported that Bill Henderson had invited everyone in the church congregation to become part of the St Peter's jigsaw by challenging them to review their financial contribution to the church. Each member was given a jigsaw piece, which together make up a wonderful picture of the life of St Peter's: the pantomime, church services, galas, the café, and various other events.

This campaign was launched to help boost the church finances: it currently costs about £1,344 per week to pay the bills, keep the church open, pay our contribution to Wakefield Diocese, and to deliver and develop our ministry in the community.

A month further on, and the response to this appeal has been staggering! A considerable number of people have pledged to either begin giving regularly, or to increase their regular giving. It is estimated that including the Gift Aid that can be reclaimed on some of this giving, the church should see an increase in monies received of around £150 per week. This is a humbling and very gratifying response.

It means that the congregation can build on what has been achieved over the past 10 years in the church centre and further grow and develop our ministry in Stanley. A few jigsaw pieces are still to be returned: once all the pieces are in place, we will fully be able to see our completed picture of St Peter's.

A Legacy for Stanley

It was reported last month that the old St Peter's church will be demolished in the first part of 2014. It has now been empty for 11 years after it proved impossible to restore, or to find a developer to take on the work. After a consultation process, the government ruled in December last year that demolition could go ahead.

The residents of Stanley have an important opportunity to contribute ideas about the legacy of the old church. When the church is demolished, the land will become part of the churchyard, and we would like to give local people the opportunity to be involved in deciding what should happen on the site.

How should the war memorial be preserved? There are some other ideas too: seating, a wild flower garden, a stone outline of the old church, and a 'prayer path'.

A drop-in session was held on Tuesday 29th October for people to share their ideas. You can still send your ideas by email to: legacy@stpeters-stanley.org.uk. In the New Year, there will be an opportunity to comment on the most popular ideas so that a final decision can be made.

Although it will be very sad to lose the old church, the village has a significant opportunity to come together and decide how the site should be landscaped for use by the community for future generations. So please, share your thoughts and your ideas and help plan the legacy for Stanley.

Reports from our local schools

Stanley Grove School

*Aberford Road, Stanley, Wakefield, WF3 4NT
Tel: 01924 303805, Headteacher: Mrs J Frost
Website: www.stanleygroveprimary.co.uk*

At the end of last term in October, Classes 1-5 enjoyed a wonderful Halloween event organised by the PTA with lots of games and a fancy-dress competition. Thank you to all the parents who provided so many delicious cakes and biscuits for the event. On the same day, our nursery children enjoyed a Teddy Bears' Picnic event.

The school also held a Book Hunt day, where the children had to work in their mixed-age House groups to answer lots of questions about books they have been reading in order to find the clues hidden around the school. Next month on 22th November the school will be visited by a Book Fair.

The children have been applying for various job roles around the school, such as lunch trolley, games equipment and library monitors. The children had to be interviewed for the roles and are enjoying the experience and the responsibility.

The new School Council is now up and running and the children have some exciting plans and ideas. Their first event will be a fund-raising event in for Children in Need next half-term.

The class assemblies are continuing to take place each week and are a marvellous opportunity for the children to showcase the work they have produced in lessons to parents and friends.

The Foundation Stage will be holding an Open Evening for prospective parents on Tuesday 12th November from 3:30—4:30pm. There will also be the opportunity to look around the main school.

November: a time for Remembrance

November brings Remembrance Sunday and All Souls Day. Here is a poem and a story about the pain of bereavement:

Walking back to life

I look down at the bed and say,
“Aren’t you getting up to-day?”
and then I potter, hoping you’ll
get in my way
whilst emptiness
declares that Death has robbed me.

I try to tidy tidiness,
adjust myself to timelessness,
and take each memory from its store
as tears caress
ethereal hands
that, from Heaven’s shore, would draw me.

And then I sit down in my chair
where memory becomes a prayer
of thankfulness for all we had.
Then, from despair,
I find myself
walking back to life more boldly.

By Rev Sam Doubtfire (a former vicar of Keswick)

Remembrance

It was 1914 and George, my father, was eager to enlist. He soon chummed up with Bert. Together they faced the hell of the gunfire and the trenches. One day there was a loud explosion. George threw himself to the ground and Bert fell on top to shield him. The shrapnel rained down on them; his chum was dead, but miraculously George was still alive. Many years later; Remembrance Sunday at the Albert Hall. Thousands of petals were falling, each one representing a lost life. Tears welled up as George remembered his chum. He knew that but for Bert he would have been one of those petals.

British Heart Foundation Appeal

The British Heart Foundation shop on Westgate in Wakefield is appealing for new stock for their store. The staff are in desperate need of all those lovely items you no longer need.

Coronary heart disease is the UK's single biggest killer but the British Heart Foundation is leading the fight against it. Help them keep more hearts beating by donating your unwanted items. Maybe have a clear-out before Christmas? The shop needs your clothing, shoes and handbags, bric-a-brac, CDs, DVDs and toys. Anything at all would be great appreciated. They would also like your furniture or electrics for their store in the Ridings Centre. To arrange for a free collection at your convenience, please telephone 01924 200007.

Proposed Teen Area for Stanley

The first meeting for the proposed teen area in Stanley last month was extremely well attended with around 70 people, most of them under 18, present. Our three councillors Jacqui Williams, Clive Hudson and Matthew Morley came along, as did PCSO Wendy Firth, members of the youth service, the Friends of Stanley Playground and the Friends of Bottom Boat Playground. They all committed to helping the young people create an area that they can call their own.

The Street Scene manager Tim Johnson was there to give advice and information about the processes that the group need to go through in order to take this project forward. An area of land between Lime Pit Lane and Aberford Road was identified as a possible site and the group are now in the process of officially approaching the council about using this land. The young people were incredibly enthusiastic and came up with lots of ideas about how funds could be raised and what they would like to see be developed. There will be another meeting once the council have replied to the request to use the land.

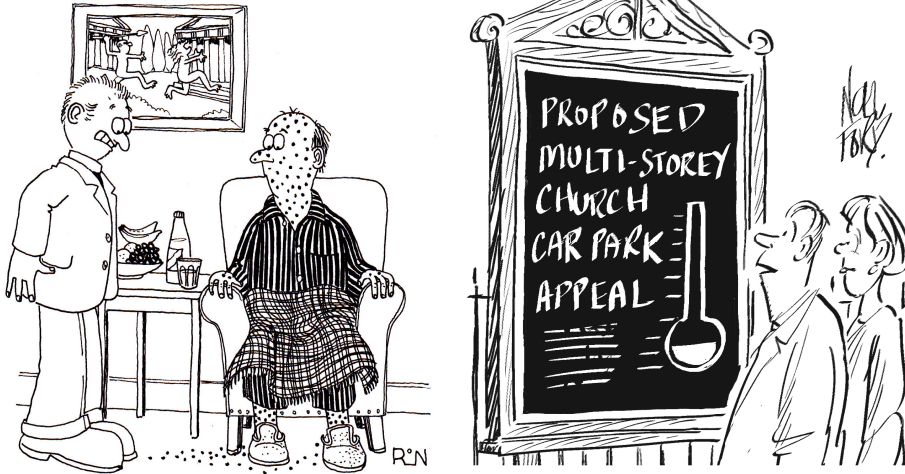

See the Facebook page 'Proposed Teen Area for Stanley Wakefield' to keep up to date with this project.

Santa to visit Stanley Community Centre on Weds 4th December!

The event will run from 5pm-7:30pm. Community groups or charities that would like a table to fundraise or promote awareness should contact Councillor Jacqui Williams on 278007.

Prayers for November

A prayer in November

Heavenly Father, in this month of long nights and dull days, we remember those we have known, those we have loved and lost recently. We ache and we cry, as individuals and as a nation.

We read the lists of names of those who died in wars that are now history. Few of us knew those brave ones as living people, and we realise that life is fleeting. We too will soon be just names on a list, or on someone's family tree. And we wonder what life means. Help us, Lord, to switch our focus from our limited "now" view, to your unlimited and eternal bigger picture - and to be re-assured.

Thank you for sending Jesus to make sense of life, paradoxically, by his death on the cross. Thank you that through knowing him, we can know you. Our names will never be forgotten, because we shall live forever with you, if we put our trust in Jesus.

Thank you Lord for remembering us.

Amen.

By Daphne Kitching

Gracious God

We pray for all those
who suffer from violence;
May they know
your healing and peace.

We pray for those
who have died
and those who are bereaved;

May they be comforted and sustained by your love.

We pray for political leaders in Britain and across the world;

May they seek wisdom and work together for peace.

May your kingdom come, your will be done

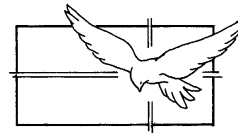

And the earth be filled with your glory.

Rev Ruth Gee, with Syria in mind

The Guarding of the God of Life

The God of life with guarding hold you,
The loving Christ with guarding fold you,
The Holy Spirit, guarding, mould you,
Each night of life to aid, enfold you
Each day and night of life uphold you.
